Colt got happy in the conditioned race last time but this is a much tougher test; 3rd and 7th finishers in last beat N3L claimers next out; there seems to be enough zip in here to help promote the kick; he will likely have to improve to repeat

Only serious horses are in the money every time; proven on this surface, game in last and runner was boosted a bit when the winner of the Anita race in January repeated in a \$75K optional with an 88 Beyer for 11th win of the career; he fits in the Beyer department but must do something today he never has done and that's put wins together.

Pushed along on the contested pace last time, racer just had nothing left; repeatedly proven fresh, he has been in some good barns and has a penchant for finding the wire; rider has had good success for this outfit; fresh and dangerous.

He only beat one to the wire the other time at this distance; drawn right, he was totally overmatched last time and Bisono got a chance to figure him out last time; note winner of the 2015 closer took a Grade 3 next out; expect much better effort. -Brian Mulligan
