#1 Sassy Angel 5/2

Liking the rail starter which is SASSY ANGEL. Has not had success here at Thistledown but I am expecting a big jump in energy and hoping to win in it's 3rd start this year. Advantage in Speed and Class plus the Brisnet Prime Power has a 5.3 point advantage. Also it is time to win for the jockey by getting this horse ready and receiving almost a win with every start with this horse by having 4 seconds in a row.

PLAY: #1 Sassy Angel to WIN, PLACE AND SHOW!
