6 Furlongs All-Weather

#5 Gangsta Girl 9/5
#2 Tommytoshort 4/1

Congrats to all who played my selection correct yesterday for WPS. Today, I have a very good selection that should not get beat today and that is #5 GANGSTA GIRL. Was 2nd at the same class last time out and finished well and also the Trainer and Jockey have worked well in the 14 days by having a very good record of 10-5-2-2. Her early speed is a dangerous threat and I believe she will make fast fractions to all who is racing against her today and swoop them easily. I also believe another horse that can hit the Exacta which is #2 TOMMYTOSHORT. Drops in class today from the 35k level and the trainer does well at this All-Weather surface by hitting at a rate of 31%! Expecting #5 GANGSTA GIRL to win, followed by #2 TOMMYTOSHORT right behind her. A very easy bet on a Sunday afternoon.

PLAY: #5 Gangsta Girl and #2 Tommytoshort to WIN, PLACE & SHOW!
